

# BACKGROUND CHECKS AND BEYOND

More than just a background screening company, **CastleBranch** is your **complete compliance management** and **infectious disease screening solution**

Background screening services are a critical part of keeping your facility safe and staffed by top-notch talent. **In a changing world that presents new challenges every day, you need a screening solutions provider that will help you adapt.** CastleBranch is proud to offer **exclusive Premier member pricing** on workforce services designed to meet the modern challenges of the healthcare industry.

As the needs of the healthcare industry evolve, so do **CastleBranch's** solutions. In 2020, thousands of hospitals, doctors' offices and healthcare education programs trusted **CastleBranch** solutions to help them respond to the threat of and mitigate the risk of COVID-19.

## Modern Solutions to Your Biggest Challenges

**CastleBranch's** team members leverage **25+ years of experience** in the **background screening, drug testing and compliance management industry** to bring you modern solutions to everyday challenges — with concierge-level service. We're committed to your satisfaction before, during

and after you find the best person for your organization. That's why we offer **two different help desks**, one for you and one for applicants. We give you access to both **customized solutions and personalized assistance**, allowing you more time to focus on your top priorities.

## FEATURED WORKFORCE SERVICES INCLUDE:
