powered by **CB Bridges™**, a **CastleBranch** company

THE RIGHT INTEL, THE RIGHT FIT, THE RIGHT PEOPLE.

Access a wealth of information to help you match the **perfect individual** with the **perfect open position**.

- **Identify** and **track** talented students within your facilities
- **Determine how many students** are coming into your facility each year
- **Analyze** if you are maximizing the hours; **uncover** hidden or unused hours
- **See** where you are, where you've been, and where you're going **with a high-level dashboard view**
- **Access data** across all externship locations

- **Enjoy centralized reporting** as opposed to accessing data housed across disparate programs to view intel on supply and demand for new graduate nurses
- **Utilize specific criteria** to identify a fit between your facility and an individual
- **React quickly** to gaps, trends and forecasts with actionable intelligence
- **View data in full compliance** with data privacy and use regulations

GREAT STUDENTS, PARTNERS, HEALTHCARE PROFESSIONALS. ——— YOUR FUTURE IS IN YOUR HANDS. ———

Build your talent pipeline from **student clinical rotations** to **future healthcare professionals** with **objective data**, **learnings** and **insights** — powered by **CB FutureFocus™**.
